

## Advertising Grant Application

Radio Results Network and its employees are dedicated to the communities which serve. We donate more than \$250,000 in commercial air time each and every year to great organizations throughout our listening area.

We have 3 great ways that we can help your non-profit organization or charity that is looking for exposure

1. Submit your announcements to our local community calendar where it will be posted on our website and in our studios for our on air personalities to talk about in rotation with other community events. These announcements can be emailed a minimum of 2 weeks in advance to [RRNFrontDesk@RadioResultsNetwork.com](mailto:RRNFrontDesk@RadioResultsNetwork.com).
2. Submit your announcements to be a part of special Pro Auto Body sponsored commercials. You can request more information about this program by emailing [Don@RadioResultsNetwork.com](mailto:Don@RadioResultsNetwork.com).
3. Fill out the attached form for increased exposure. Through this process we will be granting guaranteed placement of radio air time on an as available basis. This should be submitted to [Amy@RadioResultsNetwork.com](mailto:Amy@RadioResultsNetwork.com) as far in advance as possible.
